A message from the founder of Patriot Academy, Rick Greene:

This is not the time to seek fame.

We do not need more self-serving politicians; we need more self-sacrificing patriot leaders. If you are prepared to raise your standard, leave mediocrity behind, and join our Founding Fathers in a pledge of lives, fortunes, and sacred honor, then you can help your generation ensure the Torch of Freedom burns ever brighter.

I salute your courage and look forward to seeing you at the next Patriot Academy Leadership Congress!

By His Grace,
Rick Greene, Founder
